

Lübeck, May 2023

We had an excellent session again on April 28th!

Karin and the Karlshofer Boule Club

welcomed us very warmly in Lübeck/Karlshof. In their sunny, green, and relaxing Boulodrome we were greatly impressed by the friendly atmosphere and Karin's Snack-Bench that waited for us upon arrival. 😊 🌸

Our session started with a powerful training session by League specialists Andreas, Christian and Klaus who split us into three groups and really gave us some technical tips that gave the game a whole new edge. We put these into practice straight away and played against each other – with a wonderful mix of ambition, engagement, and fun.

Our very **big THANK YOU** goes out to Karin and the Boule Club for this totally enjoyable Friday afternoon in great company!
